2022 MOMENTUM Pre-Conference Agenda (EMA® & Practice Management)

Join your Training Consultants, Medical Directors and Business Consultants for an interactive day of learning. During this one day training event, you're able to decide your own learning path through a curated agenda of role and product based training sessions. No longer are you bound to a set curriculum for an entire day, you can select the topics that are the most meaningful for you! On top of these training sessions, there will also be interactive labs to work with your peers and ModMed® experts. See session topics and descriptions for more information!

Note: Certain sessions will be offered multiple times to target certain medical specialties and/or the roles indicated in the table. A detailed agenda will be coming soon!
