

MOMENTUM 2024 Pre-Conference Agenda: EMA®

Join your ModMed® training consultants, medical directors, and business consultants for an immersive **EMA Advanced User Workshop** designed for **clinical users** seeking to enhance their skills in workflow optimization and best practices. This hands-on training will delve into the newest features ModMed has to offer, strategies to streamline processes, and tips to ensure you're leveraging the platform for maximum efficiency. Don't miss this opportunity to take your knowledge to the next level!

Pre-Conference Training Workshops

Optimizing the Patient Intake from a Clinical Perspective

Discover how new clinical features and tools can revolutionize the patient experience and streamline the clinical intake process. Explore the potential of ModMed's Patient Collaboration tools from Klara® like appointment reminders and two-way messaging, alongside the dynamic capabilities of APPatient™ and ModMed Kiosk, CareQuality, and Officeflow. Equip your staff with the expertise to elevate the initial phase of the patient journey, fostering lasting impressions and uncomplicated interactions.
